AMENDMENT

INTRODUCTORY COMMENTS

Applicants have carefully studied the Examiner's remarks and cited references in the Office Action dated January 7, 2008, and request reconsideration of the application in view of the following amendments and remarks. This amendment is being filed in response to the Notice of Non-Compliant Amendment mailed May 29, 2008. By way of explanation, the non-compliant amendment was the result of two typographical errors on page 6, third line from the bottom. Applicant has corrected those errors by replacing "claim 1" in both instances with --claim 12--.
